## Dry Bag, Waterproof Bag with Zip Rolltop Bag for Kayaking, Boat, Fishing, Rafting, Swimming, Water Sports, Driving.

600D Oxford TPU materials for perfect waterproof effect

Adjustable and comfortable shoulder straps

Anti-drop and anti-collision durable buckle

Sealing joints with exquisite workmanship

- Available size 5L/10L/20L/30L
- 100% waterproof: made of high-quality, Waterproof 600D Oxford TPU which is waterproof by heat sealing. The inside and outside of the waterproof bag undergoes a special waterproof process that effectively blocks the ingress of water and prevents leakage. The roll seal design can keep your items in a dry and clean environment all the time without water or dust getting in. The Dry bag keeps the contents dry when you are doing water sports such as kayaking, boating, beach, rafting, hiking, camping, and fishing.
- Wide application: small storage, large space after opening, convenient to carry, easy to fold and tighten luggage of any size. So you can take an outdoor trip if you want. Whether water sports such as surfing, swimming and fishing or outdoor sports such as mountaineering, SUP, camping and hiking, this bag helps you store it easily.
- Easy storage: this waterproof bag is very easy to use. You just need to hold the opening of the bag by hand and fold it down 3-4 times after you put the items in before you go out. After folding, fold the buttons at both ends of the bag opening to form a handle. If you need to wear it, put on a strap.
